#### GNCC Capital, Inc. Update to Shareholders

NEW YORK, NY, May 10, 2012 (MARKETWIRE via COMTEX) – GNCC Capital, Inc. (PINKSHEETS: GNCP) ("the Company") is pleased to provide the following immediate updates to its stockholders, in this, our first communication with our stockholders.

- The Company's Second Quarter Results dated March 31, 2012 will be published next week and available at OTCMarkets.com. The Company is quoted on the OTC Markets as a current information filer under the Symbol "GNCP."
- A detailed "Chairman's Letter" to communicate the company's history, operations and plans will be released next week. The Company will publish a Chairman's Letter with all of its Quarterly and Annual results going forward.
- An Investor Relations firm who will be responsible for day to day interaction with our stockholders is expected to be retained in the near future. We recognize the importance of Investor Relations and active communications with our stockholders. The Company has not yet appointed a firm. Once appointed, stockholders will be advised through a press release.
- The Company's website is currently being completely redesigned to better reflect our portfolio of properties, our corporate plans, and developments. Once completed, stockholders will be advised through a press release.

**About GNCC Capital, Inc.:**

GNCC Capital, Inc. is a gold mining & exploration Company, with a secondary focus on silver. The initial exploration properties located in Arizona consist of "Esther Basin," "Burnt Well," "Clara," "Kit Carson," "Silverfields" and "Potts Mountain." The Company intends to create value of its initial portfolio of properties through continued exploration, joint ventures, and the acquisition of additional Gold and Silver Exploration assets.

**Forward-Looking Statements**

This press release may contain forward-looking statements. The words "believe," "expect," "should," "intend," "estimate," "projects," variations of such words and similar expressions identify forward-looking statements, but their absence does not mean that a statement is not a forward-looking statement. These forward-looking statements are based upon the Company's current expectations and are subject to a number of risks, uncertainties and assumptions. The Company undertakes no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise. Among the important factors that could cause actual results to differ significantly from those expressed or implied by such forward-looking statements are risks that are detailed in the Company's filings, which are on file with the OTC Markets Group.
